Dear Miss Edwards:

ANNEXATION NO. 64-1 to the
City of San Fernando
(Detachment from the City of Los
Angeles)

At the meeting held December 23, 1964, the County Boundary Commission reviewed the boundary description and map submitted by Mr. S. E. Bergman, Principal Engineering Aide, with his letter filed December 11 for the proposed annexation of territory to the City of San Fernando.

The boundaries submitted conform with record lines, lines of ownership, and existing city boundaries; and no island or corridor of unincorporated territory is created by the boundaries.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty in accordance with Section 35002 of the Government Code. With these revisions the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are attached.

Very truly yours,

GORDON T. NESVIG
